EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Barbara S. Gibbs on 01/19/07.

The application has been amended as follows:

Claim 1, line 4, after the phrase "alkaline composition", the phrase "selected from the group consisting of guanidine hydroxide, barium hydroxide, lithium hydroxide, sodium hydroxide, and potassium hydroxide" has been inserted.

Claim 15, line 7, after the phrase "subsequently rinsed from the hair", the phrase ", wherein the alkaline composition is selected from the group consisting of guanidine hydroxide, barium hydroxide, lithium hydroxide, sodium hydroxide, and potassium hydroxide" has been inserted.

Claim 20, line 1, the number "19" has been amended to "15".

Claim 21, line 1, the number "19" has been amended to "15".

Claim 29, line 7, after the phrase "approximately forty minutes", the phrase ", wherein the hydroxide composition is a guanidine hydroxide composition formed by the mixing of a calcium hydroxide composition and a guanidine carbonate composition" has been inserted.

Claim 32, line 1, the number "31" has been amended to "29".

Claims 8, 19 and 31 have been cancelled.

The following is an examiner's statement of reasons for allowance:

The closest prior art, Samain and Syed, do not teach a hair treating composition comprising the claimed hydroxide composition. There is no motivation to combine Samain or Syed with the secondary reference to obtain the claimed invention, because the secondary references teach the use of hydroxide composition for a different function (see also applicant's remarks filed 01/08/07 at pages 15-18).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
